vanditg.github.io ◊ vandit.research@gmail.com

EDUCATION

School of Computer Science, The University of Adelaide

Master of Computing and Innovation

GPA: 6.00 / 7.00

Adelaide, AUS

July 2019 - Present

L. D. College of Engineering (LDCE)

Bachelor of Engineering in Electronics and Communication

GPA: 8.22 / 10.00

Ahmedabad, IN

June 2014 - June 2018

RESEARCH INTERESTS

Computer Vision, Deep Learning, Software Development

WORK EXPERIENCE

The University of Adelaide

Teaching Assistant

Working as a part-time lecturer for Computer Vision course (Undergraduate and Graduate-level). Major duties involve taking tutorial sessions, assignment grading, and teaching discussions with students to improve their fundamental knowledge.

Adelaide, SA

March 2021 - Present

The University of Adelaide

Course Ambassador

Working with the Learning and Innovation Center on helping the professors with concerns regarding remote learning activities, provide insightful engagement matrices for the courses from the raw data, and use visualization techniques for effective modeling.

Adelaide, SA

March 2020 - December 2020

AI Australia

Data Analyst Intern

Working with the AI Consulting team on Computer Vision and Deep Learning projects - Aerial Dense Object Detection where the goal is to detect several objects from high-resolution satellite images and BBI AI in which the goal is to develop an application for predicting height and waist from input image data.

Sydney, NSW

September 2020 - December 2020

School of Engineering and Applied Science, Ahmedabad University

Research Assistant

Deep Learning for Person Retrieval in Surveillance Video using Semantic Description. Published at IEEE AVSS 2018. (Project funding agencies: Board of Research in Nuclear Science (BRNS), Bhabha Atomic Research Centre (BARC), Department of Atomic Energy, Government of India).

Ahmedabad, IN

July 2018 - December 2018

Meditab Software Inc.

Software Development Engineer Intern (Artificial Intelligence)

Designed a Computer Vision based system for Medical Pill Detection and Segmentation. Created a dataset of more than 8000 images consisting different Medical Pill categories, annotated manually, and fine-tuned Mask R-CNN for accurate results.

Ahmedabad, IN

March 2018 - June 2018

AWARDS AND ACHIEVEMENTS

- Outstanding Reviewer: Asian Conference on Computer Vision (ACCV) - 2020
- The 2019 University of Adelaide Global Citizens Scholarship for postgraduate studies to demonstrate an understanding of, and commitment to, global citizenship.
- Outstanding Teaching Assistant Award - Ahmedabad University for Advanced Statistics, Computer Vision and Machine Learning courses.

- 3rd place in Semantic Person Retrieval in Surveillance using Soft Biometrics in Conjunction with IEEE International Conference on Advanced Video and Signal-based Surveillance (AVSS), 2018.
- Design and Technology Manager Award for excellent managerial performance for GTU Central Techfest 2017.

SKILLS

- **Languages:** Python
- **Frameworks:** TensorFlow, NumPy, Pandas, Scikit-Learn, Open CV
- **Version Control:** Git, SVN
- **Web Development:** HTML, CSS
- **AWS Certification:** Certified Cloud Practitioner, Certified Developer Associate
- **Soft:** Conflict Management, Effective Communication, Logical and Critical Thinking, Team Planning

RELEVANT COURSES

Graduate Coursework

- Algorithms and Data Structure Analysis • Artificial Intelligence • Computer Systems • Computer Vision
- Computer Networks and Applications • Foundations of Computer Science • Introduction to Statistical Machine Learning • Operating Systems • Software Engineering and Project

Selected Undergraduate Coursework

- Advanced Microprocessors • Computer Programming and Utilization • Digital Signal Processing • Data Communication and Networking • Fundamentals of Image Processing • Microprocessor Interfacing • Micro-controller Interfacing • VLSI

COMPETITIONS

Google Kick Start

Round D

2020

TEACHING

MAT502: Advanced Statistics

Teaching Assistant

Conducted weekly office hours to help students with concepts.

Ahmedabad University
Winter 2019

CSC105: Introduction to Computation and Programming Lab

Teaching Assistant

Responsibilities included teaching discussion session 1 hour/week, teaching a lab session 3 hours/week, and grading exams.

Ahmedabad University
Winter 2019

CSC523: Machine Learning

Teaching Assistant

Assisted in creating theory and coding assignments. Conducted weekly office hours to help students with homework and concepts.

Ahmedabad University
Winter 2019

CSP 502: Computer Vision

Teaching Assistant

Conducted weekly office hours to help students with homework and concepts.

Ahmedabad University
Fall 2018

CSP 200: Signals and Systems

Teaching Assistant

Responsibilities included creating assignments, teaching discussion session 1 hour/week, teaching a tutorial session 4 hours/week, and grading assignments.

Ahmedabad University
Fall 2018

CSC 331: Computer Networks Lab

Teaching Assistant

Responsibilities included teaching a lab session 2 hours/week, and grading assignments. Conducted weekly office hours to help students with assignments.

Ahmedabad University
Fall 2018

PROFESSIONAL ACTIVITIES

Reviewing

International Conference on Learning Representations (ICLR)	2021
IEEE/CVF Conference on Computer Vision and Pattern Recognition (CVPR)	2020, 2021
European Conference on Computer Vision (ECCV)	2020
IEEE/CVF International Conference on Computer Vision (ICCV)	2019, 2021
AAAI Conference on Artificial Intelligence (AAAI)	2020, 2021
International Conference on Machine Learning (ICML)	2020, 2021
IEEE/CVF Winter Conference on Applications of Computer Vision (WACV)	2020, 2021
Asian Conference on Computer Vision (ACCV)	2020
Springer - Multimedia Systems	2021

Volunteering

Neural Information Processing Systems (NeurIPS)	2020
International Conference on Machine Learning (ICML)	2020
International Conference on Learning Representations (ICLR)	2020, 2021
South Australian State Emergency Service (SA SES)	2020 - Present

Professional Membership

Australian Computer Society (ACS)	2020 - Present
Computer Vision Foundation (CVF)	2017 - Present

INVITED TALKS

- SAF- BAGE: Salient Approach for Facial Soft-Biometric Classification - Age, Gender, and Facial Expression, at Demographic Variations in Performance of Biometric Algorithms in conjunction with IEEE WACV 2019
- Workshop on Machine Learning using Python in Tensorflow, at Ingenium, Ahmedabad University 2019
