PLEASE SEE THE CONDITIONS OF THE ACADEMIC PROGRAM OFFER IN THE ACCEPTANCE AGREEMENT.

THE 2019 UNIVERSITY OF ADELAIDE GLOBAL CITIZENS SCHOLARSHIP: Congratulations! You will be eligible for a reduction of 15% of the tuition fee for the minimum standard full-time duration of your chosen program if you complete the online questionnaire at <http://choose.adelaide.edu.au/global-citizen>. In order to receive the scholarship you must also accept your offer by the deadline listed on Page 2 or 3 of this offer. TUITION FEES: The majority of the University's programs are offered in semesters, however some programs are taught across different teaching periods such as trimesters. Students will be invoiced at the beginning of their teaching periods. The actual tuition fees charged will be based on a student's unit enrolment and the published annual fees for the year of enrolment. Should a student 'overload' or 'underload', their fees will be increased or decreased accordingly. For example, students enrolled in 12 units will be charged half of the published annual tuition fee for the year of study. Degree Finder contains comprehensive information about this program at www.adelaide.edu.au/degree-finder.

STUDENT SERVICES AND AMENITIES FEE: All students are required to pay an annual fee for the provision of essential, non-academic services (see www.adelaide.edu.au/student/finance/ssaf). The 2018 fee is \$298 based on full-time enrolment and is subject to increase annually. Students will be invoiced for this amount separately, after commencement in their program.

INCIDENTAL FEES: Students may incur additional costs for items such as textbooks, specialist study equipment (e.g. laboratory coats, microscopes), optional supplementary reading and academic program materials, field trips, first aid certificates, vaccinations, clearances, library fines and expenses such as thesis preparation, printing and binding. Incidental costs vary between programs. A full schedule of incidental fees can be viewed at www.adelaide.edu.au/student/finance/other-fees/.

ADDITIONAL INFORMATION ABOUT YOUR PROGRAM: Details about professional recognition, bridging programs, textbooks, work placements and other important information that may apply to your academic program is available at www.adelaide.edu.au/degree-finder.

Should you need further assistance, please do not hesitate to contact Admissions Services via email: accept@adelaide.edu.au.

I would like to take this opportunity to welcome you to the University of Adelaide and wish you success in your future studies.

Yours sincerely,

Student Fees Refund Policy

(Do not return this page with your acceptance)

OVERVIEW

In certain circumstances, if a student has a credit balance on their University account, they may request a refund of that credit balance. This policy provides formal guidance on the circumstances under which fee refunds are to be provided to students, and the manner in which they may be paid.

SCOPE AND APPLICATION

This policy applies to:

All enrolled students of the University of Adelaide, on all campuses both domestic and international;

- Students previously enrolled, not currently enrolled and students on program leave, where the relevant fee liability was incurred while they were enrolled or is directly related to their enrolment;
- Higher Degree Research Students including those awaiting examination of submitted theses; and
- Students on exchange from other universities where they have paid fees to be refunded to the University of Adelaide
- International students who have accepted an offer of admission.

POLICY PRINCIPLES

1. Refunds

- A refund can only occur if a student has a current credit on their student finance account.
- Refunds will be processed after all other financial obligations to the University have been discharged, including (but not limited to) Library fines, Student Loans, and accommodation charges.
- Refund payments are normally made directly into a bank account. Bank details are required for all refund requests, even if the refund is to the original credit card, to ensure payment can be finalised.
- All refunds are made in Australian dollars and are payable to the student's nominated account, with the following exceptions:
 - The student is supported by a recognised third party sponsor and that sponsor is entitled to the refund (as per the Education Services for Overseas Students (ESOS) Act, s.47D(3)(b)).
 - In the event a country is subject to financial sanctions, refunds cannot be paid to a bank in a sanctioned country.
- Refunds may be transferred to another university or tertiary institution if authorised in writing by the student or, where appropriate, the student's sponsor.
- The deadline for submitting an online Refund Request Form to facilitate payment of a refund in any week is 5pm of the preceding Friday.

2. Special Circumstances Refunds, Remissions or Re-Credits:

- Students who withdraw from a course(s) after the Census Date due to special circumstances may apply for a Special Circumstances Refund, Remission or Re-Credit.
- International students who withdraw from their study after accepting their offer but prior to the Census Date in their first term of study due to special circumstances may apply for a Repayment of Administration Fee.

3. Domestic Students: refer to <https://www.adelaide.edu.au/policies/4343/>

4. International Students:

- When a refund is payable, and the applicable refund form has been completed, the refund will be processed under normal circumstances within 3 weeks of the refund form being received by Student Finance.
- Additional delays may occur for receipt of payments to overseas bank accounts.

5. Refunds Not Payable:

- Refunds are not payable at all in the following circumstances:
 - Student withdraws after the Census Date for courses in which student enrolled, and no special circumstances apply.
 - Student visa cancelled by the Department of Immigration and Border Protection for any reason.
 - Student fails a course or program, including a preliminary program such as Pre-Enrolment English Program or foundation studies or bridging program, and no special circumstances apply.

6. Exceptions

Transactions which are outside of these policy principles must be approved by the Executive Director, Division of Academic and Student Engagement (or their delegate), provided:

- It is their opinion that such a transaction is in the best interests of the University and is consistent with the objectives of this Policy; and
- The transaction is approved in writing prior to execution.

The University will either offer you an alternative program in writing or pay you a refund of any unspent tuition fees. If the University is unable to meet its obligations to you under Section 47D, the Tuition Protection Service (<https://tps.gov.au>) will assist you in finding an alternative course to accept or pay you a refund of your unspent prepaid tuition fees.

- I declare that I have genuine access to the funds as outlined above for myself, my partner (if applicable) and dependent children (if applicable) for the duration of my stay in Australia. I understand that should I experience financial difficulties that I (or my sponsor) will continue to be responsible for my tuition fees and living expenses.
- I understand that the University may give advance notice of its intention to cancel my enrolment if my tuition fees are not paid by the census date. If my enrolment is cancelled due to non-payment of fees I understand that the University will be required to cancel my Confirmation of Enrolment; and that I will have to seek advice from the Department of Home Affairs regarding my ongoing eligibility for a student visa.
- I understand that the University may ask me to provide additional evidence of my financial capacity, should it be required, before issuing my Confirmation of Enrolment.
